Release Notes

Version | **4.13.3 RC1 (#20154)**
Release date | **27.09.2024**

Customer Feature (1)

When doing automatic lookups with items in Lib that are not found in incoming PLL, a null reference error would occur, but only for automatic lookups, manual lookups would work fine.
[RENO-18416, Error when opening samstemming after automatic RF lookup]
